

SANTA BARBARA COUNTY SHERIFF'S DEPARTMENT
RESPONSE TO THE SANTA BARBARA COUNTY
GRAND JURY 2001-2002 REPORT
"ASSESSMENT OF SANTA BARBARA COUNTY
BUSINESS/MANAGEMENT PRACTICES"

FINDING AND RECOMMENDATION

Finding 1:

Several of the agencies headed by elected officials choose not to participate in the Project reviews. These include the Sheriff, Auditor-Controller, County Clerk-Recorder-Assessor, and Treasurer-Tax Collector.

Response to Finding 1:

The Sheriff's Department is participating in the Project Management System, starting with the CorrLogic Jail Management System.

Recommendation 1:

The Board of Supervisors and the nonparticipating agency heads should evaluate participation in these reviews. The benefit of participation in these reviews outweighs any concern that elected department heads may feel about giving up control to the County Administrator's Office.

Response to Recommendation 1:

The recommendation will be implemented with the Sheriff's Department's participation in the CorrLogic Jail Management System Program.
