Re: Response to Grand Jury Report – Detention Facilities Inspections

Dear Judge Melville:

The City of Buellton has received the referenced Grand Jury Report which requires a response from the “Buellton Police Department” within 90 days. Please be advised that the City contracts with the Santa Barbara County Sheriff’s Department for law enforcement services and as such does not have its own police department nor does the City have its own detention facilities. The City has therefore forwarded the Grand Jury Report to the Sheriff’s Department for the requested response.

Sincerely,

Steven L. Thompson
City Manager
