Main Jail Health Services: Inmate Care Gets A Check-Up
July 8, 2008*

Finding 4:

The clinician-administrator position has remained unfilled.

Agree with finding.

Recommendation 4:

The clinician-administrator position for mental health should be filled.

Recommendation requires further analysis and study.

The Department of Alcohol, Drug and Mental Health (ADMHS) is working with the Sheriff's Department to review options for provision of mental health services on behalf of jail inmates.
